## Scope of the Policy

This policy applies to all members of the school community (including staff, students/pupils, volunteers, parents/carers, visitors, community users) who have access to and are users of school ICT systems and mobile technologies, both in and out of school.

## Roles and Responsibilities

The following section outlines the roles and responsibilities for e-safety of individuals and groups within the school:

**E-Safety Coordinator:** *George Davidson*

**Senior Leadership Team (Safe-Guarding):** *Zoe Meadowcroft*

**ICT Network Manager:** *David Norris*

### Governors:

Governors are responsible for the approval of the E-Safety Policy and for reviewing the effectiveness of the policy.

### Head Teacher and Senior Leaders:

The Head Teacher is responsible for ensuring the safety (including e-safety) of members of the school community.

The Head Teacher and another member of the Senior Leadership Team/Senior Leadership Team should be aware of the procedures to be followed in the event of a serious e-safety allegation being made against a member of staff

### E-Safety Coordinator/Officer:

***George Davidson***

- leads the e-safety committee and/or cross-school initiative on e-safety
- takes day to day responsibility for e-safety issues and has a leading role in establishing and reviewing the school e-safety policies/documents
- ensures that all staff are aware of the procedures that need to be followed in the event of an e-safety incident taking place.
- provides training and advice for staff
- receives reports of e-safety incidents and creates a log of incidents to inform future e-safety developments
- reports regularly to Senior Leadership Team

### Network Manager/Technical staff:

*The Network Manager (David Norris)* is responsible for ensuring:

- that the school's ICT infrastructure is secure and is not open to misuse or malicious attack
- that the school meets the e-safety technical requirements outlined in the Salford City Council Security Policy and Acceptable Usage Policy and any relevant Local Authority E-Safety Policy and guidance
- that users may only access the school's networks through a properly enforced password protection policy

### Teaching and Support Staff:

- are responsible for ensuring that:
- they have an up to date awareness of e-safety matters and of the current school e-safety policy and practices
- they have read, understood and signed the school Staff Acceptable Use Policy/Agreement (AUP)
- they report any suspected misuse or problem to the *E-Safety Co-ordinator* for investigation/action/sanction
- Designated person for child protection/Child Protection Officer should be trained in e-safety issues and be aware of the potential for serious child Protection issues to arise from:

- sharing of personal data
- access to illegal/inappropriate materials
- inappropriate on-line contact with adults/strangers
- potential or actual incidents of grooming
- cyber-bullying

### **E-Safety Committee**

Members of the E-safety Committee will assist the E-Safety Coordinator/Officer with:

- the production, review and monitoring of the school e-safety policy (The intention is to include students and parents onto the committee)

### **Students/pupils:**

- are responsible for using the school ICT systems and mobile technologies in accordance with the Student/Pupil Acceptable Use Policy, which they all sign before being given access to school systems
- need to understand the importance of reporting abuse, misuse or access to inappropriate materials and know how to do so.

### **Parents/Carers:**

*The school will take every opportunity to help parents understand these issues through parents' evenings, newsletters, letters, website/Learning Platform and information about national/local e-safety campaigns/literature. Parents and carers will be responsible for:*

- endorsing (by signature) the Student/Pupil Acceptable Use Policy
- accessing the school ICT systems or Learning Platform in accordance with the school Acceptable Use Policy.

### **Community Users:**

Community Users who access school ICT systems or Learning Platform as part of the Extended School provision will be expected to sign a Community User Acceptable Use Policy (AUP) before being provided with access to school systems.

## **E-Safety Education and Training**

### **Education - students /pupils**

E-Safety education will be provided in the following ways:

- A planned e-safety programme will be provided as part of ICT and PHSE lessons and will be regularly revisited. This will cover both the use of ICT and new technologies in and outside school
- Key e-safety messages will be reinforced as part of a planned programme of assemblies and tutorial/pastoral activities
- Students will be taught in all lessons to be critically aware of the materials/content they access on-line and be guided to validate the accuracy of information

### **Education & Training - Staff**

It is essential that all staff receive e-safety training and understand their responsibilities, as outlined in this policy. Training will be offered as follows:

- A planned programme of formal e-safety training will be made available to staff. An audit of the e-safety training needs of all staff will be carried out regularly. It is expected that some staff will identify e-safety as a training need within the performance management process.
- All new staff will receive e-safety training as part of their induction programme, ensuring that they fully understand the school e-safety policy and *Acceptable Use Policies*

## Communication devices and methods

The following table shows the school's policy on the use of communication devices and methods.

Where it is indicated that the method or device is allowed at certain times, these are clearly outlined in the next table.

Communication method or device	Staff & other adults				Students/Pupils

## Unsuitable/inappropriate activities

The school believes that the activities referred to in the following section would be inappropriate in a school context and that users, as defined below, should not engage in these activities in school or outside school when using school equipment or systems. The school policy restricts certain internet usage as follows:

	Acceptable	Acceptable at certain times	Acceptable for nominated users	Unacceptable	Unacceptable and illegal
<b>User Actions</b>					
child sexual abuse images					
promotion or conduct of illegal acts, e.g. under the child protection, obscenity, computer misuse and fraud legislation					
adult material that potentially breaches the Obscene Publications Act in the UK					
criminally racist material in UK					
Pornography					
promotion of any kind of discrimination based on race, gender, sexual orientation, religion and belief, age and disability					
promotion of racial or religious hatred					
threatening behaviour, including promotion of physical violence or mental harm					
any other information which may be offensive to colleagues or breaches the integrity of the ethos of the school or brings the school into disrepute					
Using school systems to run a private business					
Use systems, applications, websites or other mechanisms that bypass the filtering or other safeguards employed by SCC and / or the school					
Uploading, downloading or transmitting commercial software or any copyrighted materials belonging to third parties, without the necessary licensing permissions					
Revealing or publicising confidential or proprietary information (e.g. financial / personal information, databases, computer / network access codes and passwords)					
Creating or propagating computer viruses or other harmful files					
Carrying out sustained or instantaneous high volume network traffic (downloading / uploading files) that causes network congestion and hinders others in their use of the internet					
On-line gaming (educational)					
On-line gaming (non-educational)					

On-line gambling					
On-line shopping / commerce					
File sharing					
Use of social networking sites					
Use of video broadcasting e.g. YouTube					
Accessing the internet for personal or social use (e.g. online shopping)					
Using external data storage devices (e.g. USB) that have not been encrypted (password protected and checked for viruses)					

## Good practice guidelines

### Email

**DO**

Staff and students/pupils should only use their school email account to communicate with each other

Check the school e-safety policy regarding use of your school email or the internet for personal use e.g. shopping

**DO NOT**

Staff: don't use your personal email account to communicate with students/pupils and their families without a manager's knowledge or permission – and in accordance with the e-safety policy.

## Images, photos and videos

Best practice

### DO

Only use school equipment for taking pictures and videos.

Ensure parental permission is in place.

Safe practice

Check the e-safety policy for any instances where using personal devices may be allowed.

Always make sure you have the Head Teacher/SLT knowledge or permission

Make arrangements for pictures to be downloaded to the school network immediately after the event.

Delete images from the camera/device after downloading.

Poor practice

### DO NOT

Don't download images from organisation equipment to your own equipment.

Don't use your own equipment without Head teacher/SLT knowledge or permission - and in accordance with the e-safety policy.

Don't retain, copy or distribute images for your personal use.

## Internet

### DO

Understand how to search safely online and how to report inappropriate content.

Staff and students/pupils should be aware that monitoring software will log online activity.

Be aware that keystroke monitoring software does just that. This means that if you are online shopping then your passwords, credit card numbers and security codes will all be visible to the monitoring technicians

### DO NOT

Remember that accessing or downloading inappropriate or illegal material may result in criminal proceedings

Breach of the e-safety and acceptable use policies may result in confiscation of equipment, closing of accounts and instigation of sanctions.

## Mobile phones

Best practice

### DO

*Staff: If you need to use a mobile phone while on school business (trips etc.), the school will should provide equipment for you.*

*Make sure you know about inbuilt software/ facilities and switch off if appropriate.*

Safe practice

Check the e-safety policy for any instances where using personal phones may be allowed.

Staff: Make sure you know how to employ safety measures like concealing your number by dialling 141 first

Poor practice

### DO NOT

Staff: Don't use your own phone without the Head Teacher/SLT knowledge or permission.

Don't retain service student/pupil/parental contact details for your personal use.

## Social networking (e.g. Facebook/Twitter)

Best practice

### DO

If you have a personal account, regularly check all settings and make sure your security settings are not open access.

Ask family and friends to not post tagged images of you on their open access profiles.

Safe practice

Don't accept people you don't know as friends.

Be aware that belonging to a 'group' can allow access to your profile.

Poor practice

### DO NOT

Don't have an open access profile that includes inappropriate personal information and images, photos or videos.

Staff:

- Don't accept students/pupils or their parents as friends on your personal profile.
- Don't accept ex-students/pupils users as friends.
- Don't write inappropriate or indiscrete posts about colleagues, students/pupils or their parents.

## Webcams

Best practice

### DO

Make sure you know about inbuilt software/ facilities and switch off when not in use.

Safe practice

Check the e-safety policy for any instances where using personal devices may be allowed.

Always make sure you have the Head Teacher/SLT knowledge or permission

Make arrangements for pictures to be downloaded to the school network immediately after the event.

Delete images from the camera/device after downloading.

Poor practice

### DO NOT

Don't download images from organisation equipment to your own equipment.

Don't use your own equipment without Head Teacher/SLT knowledge or permission – and in accordance with the e-safety policy.

Don't retain, copy or distribute images for your personal use.

## Appendix 1 - Student/Pupil AUP

### Student/pupil Acceptable Use Policy Agreement

#### The Martin High School ICT Acceptable Use Policy for Pupils

#### ZIP IT

Keep your personal stuff private and think about what you say and do online.

#### BLOCK IT

Block people who send nasty messages and don't open unknown links and attachments.

#### FLAG IT

Flag up with someone you trust if anything upsets you or if someone asks to meet you offline.

- I will not share my username and password or try to use anyone else's
- I will not post online any personal information about myself or others
- I will block attachments to emails by not opening anything sent that I do not trust or recognise – it may contain a virus
- I will immediately report any messages or internet content that is inappropriate or makes me feel uncomfortable to the nearest staff member
- I will immediately report any damage or faults involving equipment or software
- I will not use the school ICT systems for personal use unless I have permission to do so
- I will respect other people's work and property and will not access, copy, remove or otherwise alter anyone else's files, without their permission and knowledge
- I will make sure I am respectful and responsible when I communicate with students, teachers and others online
- I will not take, store, use or distribute images of students and/or staff without their permission
- I will not deliberately browse, download, upload or forward material that could be considered offensive, hurtful or illegal, such as Racist, Sexist and Homophobic. If I accidentally come across such material, I will report it immediately to a member of staff
- I will not use any way of trying to bypass the filtering / security systems, designed to prevent access to inappropriate material at school
- I will not try to install any programmes on a school computer nor alter the settings
- I will only use chat and social networking sites with permission and at the times that are allowed, in accordance with the school policy
- I will respect the copyright of others in my own work
- I will not try to download pirate copies of music, videos, games or other software
- I will take care to check that information I use is accurate
- I understand that all of my use of the Internet and other related technologies is monitored and logged and can be made available to my teachers
- I understand that these rules are designed to keep me safe and that if they are not followed, school sanctions will be applied and my parents/carers will be contacted.
- I understand that the Police could be involved if something I did was illegal
- ICT including the Internet, learning platforms, email and mobile technologies have become an important part of learning in our school. We expect all students to be safe and responsible when using any ICT. It is essential that students are aware of E-Safety and know how to stay safe when using any ICT

## Appendix 2 - Staff, Volunteer, Community User AUP

### Staff, Volunteer and Community User Acceptable Use Policy Agreement Template

#### School Policy

This Acceptable Use Policy (AUP) is intended to ensure:

- That staff, volunteers and community users will be responsible users and stay safe while using the internet and other communications technologies for educational, personal and recreational use.
- That school ICT systems and users are protected from accidental or deliberate misuse that could put the security of the systems and users at risk.
- That staff, volunteers and community users are protected from potential risk in their use of ICT in their everyday work.

The school will try to ensure that staff, volunteers and community users will have good access to ICT to enhance their work, to enhance learning opportunities for *students* learning and will, in return, expect staff, volunteers and community users to agree to be responsible users.

#### Acceptable Use Policy Agreement

I understand that I must use school ICT systems in a responsible way, to ensure that there is no risk to my safety or to the safety and security of the ICT systems and other users. I recognise the value of the use of ICT for enhancing learning and will ensure that students/pupils receive opportunities to gain from the use of ICT. I will, where possible, educate the young people in my care in the safe use of ICT and embed e-safety in my work with young people.

For my professional and personal safety:

- I understand that the school will monitor my use of the ICT systems, email and other digital communications.
- I understand that the rules set out in this agreement also apply to use of school ICT systems (e.g. laptops, email, VLE etc.) out of school.
- I understand that the school ICT systems are primarily intended for educational use and that I will only use the systems for personal or recreational use within the policies and rules set down by the school
- I will not disclose my username or password to anyone else, nor will I try to use any other person's username and password.
- I will immediately report any illegal, inappropriate or harmful material or incident I become aware of, to the appropriate person.
- I will be professional in my communications and actions when using school ICT systems
- I will not access, copy, remove or otherwise alter any other user's files, without their express permission.
- I will communicate with others in a professional manner, I will not use aggressive or inappropriate language and I appreciate that others may have different opinions.
- I will ensure that when I take and/or publish images of others I will do so with their permission and in accordance with the school's policy on the use of digital/video images. I will not use my personal equipment to record these images, unless I have permission to do so. Where these images are published (e.g. on the school website/VLE) it will not be possible to identify by name, or other personal information, those who are featured.
- I will only use chat and social networking sites in school in accordance with the school's policies. (Frog VLE)
- I will only communicate with students/pupils and parents/carers using official school systems. Any such communication will be professional in tone and manner.
- I will not engage in any on-line activity that may compromise my professional responsibilities.

The school and the Local Authority have the responsibility to provide safe and secure access to technologies and ensure the smooth running of the school:

- When I use my personal hand held/external devices (PDAs/laptops/mobile phones/USB devices etc.) in school, I will follow the rules set out in this agreement, in the same way as if I was using school equipment. I will also follow any additional rules in line with the School's E-Safety Policy set by the school about such use. I will ensure that any such devices are protected by up to date anti-virus software and are free from viruses
- I will not use personal email addresses on the school ICT systems.
- I will not open any attachments to emails, unless the source is known and trusted, due to the risk of the attachment containing viruses or other harmful programmes.
- I will ensure that my data is regularly backed up, in accordance with relevant school policies.
- I will not try to upload, download or access any materials which are illegal (child sexual abuse images, criminally racist material, adult pornography covered by the Obscene Publications Act) or inappropriate or may cause harm or distress to others. I will not try to use any programmes or software that might allow me to bypass the filtering/security systems in place to prevent access to such materials.
- I will not try (unless I have permission) to make large downloads or uploads that might take up internet capacity and prevent other users from being able to carry out their work.
- I will not install or attempt to install programmes of any type on a machine, or store programmes on a computer, nor will I try to alter computer settings, unless this is allowed in school policies
- I will not disable or cause any damage to school equipment, or the equipment belonging to others.
- I will only transport, hold, disclose or share personal information about myself or others, as outlined in the School/Local Authority Personal Data policy. Where personal data is transferred outside the secure school network, it must be encrypted.
- I understand that data protection policy requires that any staff or student/pupil data to which I have access, will be kept private and confidential, except when it is deemed necessary that I am required by law or by school policy to disclose such information to an appropriate authority.
- I will immediately report any damage or faults involving equipment or software, however this may have happened.

When using the internet in my professional capacity or for school sanctioned personal use:

- I will ensure that I have permission to use the original work of others in my own work.
- Where work is protected by copyright, I will not download or distribute copies (including music and videos).

### **Staff, Volunteer and Community User Acceptable Use Agreement Form**

This form relates to the student/pupil Acceptable Use Policy (AUP), to which it is attached.

I understand that I am responsible for my actions in and out of school:

- I understand that this Acceptable Use Policy applies not only to my work and use of school ICT equipment in school, but also applies to my use of school ICT systems and equipment out of school and my use of personal equipment in school or in situations related to my employment by the school.
- I understand that if I fail to comply with this Acceptable Use Policy Agreement, I could be subject to disciplinary action. This could include a warning, a suspension, referral to Governors and/or the Local Authority and in the event of illegal activities the involvement of the police

**I have read and understood the School's E-safety Policy**

I have read and understand the above and agree to use the school ICT systems (both in and out of school) and my own devices (in school and when carrying out communications related to the school) within these guidelines.

### Appendix 3 - Use of Images Consent Form

#### Use of Digital/Video Images

The use of digital/video images plays an important part in learning activities. Students/Pupils and members of staff may be using digital or video cameras to record evidence of activities in lessons and out of school. These images may then be used in presentations in subsequent lessons.

Images may also be used to celebrate success through their publication in newsletters, on the school website and occasionally in the public media,

The school will comply with the Data Protection Act and request parents / carers permission before taking images of members of the school. We will also ensure that when images are published that the young people cannot be identified by the use of their names.

Parents are requested to sign the permission form below to allow the school to take and use images of their children.

#### Permission Form

Parent/Carers Name	
Student/Pupil Name	

As the parent/carer of the above student/pupil, I agree to the school taking and using digital/video images of my child/children. I understand that the images will only be used to support learning activities or in publicity that reasonably celebrates success and promotes the work of the school.

I agree that if I take digital or video images at, or of, school events which include images of children, other than my own, I will abide by these guidelines in my use of these images.
