Phil Knight, Sheila Winkless, Lynn and Trevor Childerley, Dina Yallop who teaches at our school and 6 year old Sophie Carter from Woolden Hill School who all help to run the Anstey Community Library came in on the 16<sup>th</sup> January to be presented with the cheque from our Chair of Governors Pam Whitehead and Head Teacher Laura Sanchez along with House Captains, Clara Hurst, Dominic Orvis who helped Amanda Woodier with the raffle and Madison Cheadle, Charlie Hopewell and Adarsh Patel who also helped in organising the Christmas Fair.

We really hope this helps to keep our community library as an asset for the local community.

## GCSE Drama Workshop

On Thursday 5<sup>th</sup> January, Splendid Productions were at Martin High School running a physical theatre workshop for the GCSE students. The students learnt many styles including lifts, rolls, leans and ledges. The workshop aimed to expand the physical tools available to the pupils, helping them to make devising and performance a more dynamic and creative process.

## The Catering Team

Alongside the Anstey Community Library we supported this year, Lisa and her catering team always collect for an animal charity and this year it was the PDSA.

As you can see they were extremely grateful for our donations.
