Dear Parent/Guardian

Many thanks for your support and hard work this year with regard to homework. To assist this process please find enclosed this document for parents about how best to support their child with their homework. This has been compiled by the author after extensive research and represents perceived best practice. A recent student voice consultation felt this document may be helpful to assist some pupils with their homework and it has been reviewed by the Martin High School Homework Parents Forum.

Please do not hesitate to contact me if you have any questions.

Yours sincerely

L Witton

Assistant Headteacher
