

MARTIN HIGH SCHOOL GOVERNING BODY

The Governing Body meets at least three times in each school year and at least once every term.

The Governing Body has a good mix of skills, knowledge and experience but most importantly a strong commitment to Martin High School and its pupils.

The team of Governors play a key role in:

- Setting targets for raising standards
- Monitoring progress against these targets
- Being a critical friend to the school's management by finding the right balance between supporting and challenging the Head Teacher and therefore the school
- Contributing to policies and strategic development

All Governors are given the opportunity to undertake training and develop new skills.
