Dear Parent/Carer

We work hard to get the best possible grades for our students at the Martin High School and within the Modern Foreign Languages Department and feel it is essential to keep you informed about how your child is progressing.

It is now less than five weeks until Year 11 will sit their Languages GCSE French/Spanish Speaking exam. **The speaking exams for Languages will be conducted on the week commencing 9th April 2018.**

As a department we have put in measures to help learners achieve their potential. We have set up Language workshops and Language Boosters running on Tuesday and on Thursday after school between 3.05 pm - 4.05 pm to help our students and support them in their learning and exam preparation. However, language learning and language skills go beyond work in the classroom and at school. All our learners are individuals and we wish to meet every need. With this in mind, we have compiled a list of helpful tips and advice from our expert teaching staff to help support language learning/revision and exam preparation at home for your son/daughter.

We feel that by working together we can ensure we are doing all what we can to enable your child to maximize their potential in languages and especially within the next few weeks with the upcoming speaking examinations.

Kind regards
